* Compulsory courses to be taken in the scientific preparation program cannot replace the courses deemed necessary to complete the relevant graduate program. However, in addition to scientific preparation courses, a student in the scientific preparation program can also take courses for the graduate program with the recommendation of the department head and the approval of the institute board of directors. (IŞIK UNIVERSITY POSTGRADUATE EDUCATION AND TRAINING REGULATION / Article 24(2))

DURATION: The duration of completion of the non-thesis master's program is at least two semesters and at most three semesters, regardless of whether the student is registered for each semester, starting from the semester in which the courses related to the registered program are given, excluding the time spent in scientific preparation. At the end of this period, the student who cannot complete the program with a GPA of at least 2.50 out of 4.00 will be dismissed from the University. (IŞIK UNIVERSITY SCHOOL OF GRADUATE STUDIES AND TRAINING REGULATION / Article 12(1))
